ESSAY (Form 3)

Write a six-paragraph essay about yourself that includes a detailed explanation as to the reason why you prefer each listed course. (You may use extra sheet of A4-sized bond paper as need be. The first paragraph is about you; the second to sixth paragraphs will be on your preferred courses, arranged based on their logical order in the Form 1: Expression of Intent for Admission.)

Good day! I am Arjade D. Flores, a 18 years old from Lavezares, Northern Samar. I finished my senior high school journey at Basilio B. Chan Memorial Agricultural and Industrial School. I am fond of doing something that relieves me such as arts, playing music, and gaming.

My first choice is Information Technology. I chose this course because I have already learned a lot about computers during my senior high and I want to learn more in this field and improve what I have learned.

Second is Hospitality Management. I chose this course because I enjoy working with people and creating positive experiences. I'm passionate about service and interested in the dynamic opportunities in hotels, tourism and events, and I believe this field will help me develop the skills I need to build a successful career in the hospitality industry.

Thirdly, I am interested in pursuing Criminology because I want to help maintain peace and order in society. Also, I am interested in understanding the law, preventing crime, and serving the community through justice and public safety.

Another is Entrepreneurship course because I dream of starting my own business. I want to learn how to manage, grow, and lead a successful venture that can create jobs and make a positive impact.

Lastly, I am interested in pursuing Agriculture because I want to contribute to food security and support local farming. I'm passionate about learning modern and sustainable ways to grow crops and improve the agricultural industry.
